## INTERNSHIP APPRECIATION LETTER

Date: 08 August 2025

This is to certify that **Mr. Gogul A (2023115020)**, a student of B.Tech. (Information Technology), Department of Information Science and Technology, College of Engineering, Guindy Campus, Anna University, has successfully completed an internship under the guidance of the **Office of the Executive Warden, International Hostels**, during the period **May 2025 to July 2025**.

As part of this internship, he actively participated in the design and development of a Mobile Application for streamlining the admission process of International Students into the Hostels. This application aims to enhance user experience, simplify administrative tasks, and enable digital access for international admissions.

His contribution as **Frontend, Reusable Components, API Integration** as part of a team of nine student developers was commendable and demonstrated technical skill, collaborative spirit, and a strong sense of responsibility. The outcomes of this project are now being considered for operational deployment in the upcoming academic year.

We appreciate his valuable involvement and wish him success in all future endeavors.
